PRELIMINARY AMENDMENT

Sir:

Please enter the following amendment prior to examination in this application.

In the Claims:

Please replace claim 80 with the following claim:

- 21
80. (Amended) A computer controlled display device, comprising:
a flat panel display having an input for receiving display data;
a moveable assembly coupled to said display, said moveable assembly providing at least three degrees of freedom of movement for said flat panel display device and having a cross-sectional area which is substantially less than a cross-sectional area of a display structure of said flat panel display; and
